I plan to seed \_\_\_\_\_ acres of wheat in the fall of 1939 or in the spring of 1940.

I hereby request that the above-described farm be inspected as a wheat-allotment farm in the 1940 Price Adjustment Program. I expect to have performance checked on this farm on the basis of the acreage seeded to wheat for purposes of the 1940 Agricultural Conservation Program and the 1940 Price Adjustment Program.

**NONWHEAT-ALLOTMENT FARM****Section II.—ELECTION OF THE NONWHEAT-ALLOTMENT OPTION IN THE 1940 FARM PROGRAM.**

I plan to seed \_\_\_\_\_ acres of wheat in the fall of 1939 or in the spring of 1940, of which \_\_\_\_\_ acres will be harvested as grain in 1940.

I hereby elect to have the above-described farm considered as a nonwheat-allotment farm in the 1940 Farm Program. In doing so, I expect to have performance checked on this farm on the basis of the acreage of wheat harvested, and I understand that my farm will not be eligible for a wheat loan, wheat price adjustment payment, or a conservation payment at the wheat rate. The wheat-allotment acreage will be considered as general soil depleting for the purposes of computing payment. Any acreage of wheat harvested as grain or matured as grain in excess of \_\_\_\_\_ acres will be subject to the regular rate of deduction for wheat.
